# Subject index

**Abdomen**
Intra-abdominal abscesses in children, 227
Management of acute abdominal pain: decision making in the accident and emergency department, 121
**Abscess**
Intra-abdominal abscesses in children, 227
Ultraconservative management of appendiceal abscess, 18
**Achalasia**
Laparoscopic cardiomyotomy for achalasia, 152
**Africa**
Audit of 'surgery in general' in an African teaching hospital, 402
**Agenesis**
Rib tip syndrome with unilateral renal agenesis, 194
**AIDS**
Surgery in HIV-positive and AIDS patients: indications and outcome, 254
**Amputation**
Amputation for gangrene of the limbs following severe meningococcal infection, 11
**Anaesthesia**
Surgical decompression of the carpal tunnel using infiltrative anaesthesia: description of technique, 341
**Anal**
Anal leukoplakia: management using a staged plastic procedure, 333
**Anastomosis**
Colorectal anastomotic integrity after anterior resection: is there a role for intraoperative testing, 35
**Aneurysm**
Abdominal aortic aneurysm in South-West Scotland, 6
Acute aortocaval fistula in association with ruptured aortic aneurysm, 161
**Ankle**
Auger ankle arthrodesis, 56
**Anomaly**
Trigger thumb in children: results of surgical correction, 197
**Antibiotic**
Methicillin-resistant *Staphylococcus aureus* in surgical patients: Malaysian experience, 323
**Anus**
Anal leukoplakia: management using a staged plastic procedure, 333
**Aorta**
Abdominal aortic aneurysm in South-West Scotland, 6
Acute aortocaval fistula in association with ruptured aortic aneurysm, 161
*Salmonella* infection of the aorta, 181
**Appendicitis**
Assessment of the reliability of the symptoms and signs of acute appendicitis, 372
Diagnosis of appendicitis in childhood, 89
Review of the histopathological findings in appendices removed for acute appendicitis in Nigerians, 245
Ultraconservative management of appendiceal abscess, 18
**Appendix**
Diagnosis of appendicitis in childhood, 89
Late appendicocutaneous fistulae, 185
Review of the histopathological findings in appendices removed for acute appendicitis in Nigerians, 245
Ultraconservative management of appendiceal abscess, 18
**Arm**
Arterial emboli to the arm, 83
**Arteriovenous**
Postlaminectomy arteriovenous fistula formation: a continuing problem, 130
**Artery**
Paediatric arterial injury: management of appendiceal abscess, 13
Strut embolization to the left main coronary artery from a Bjork-Smiley® mitral valve prosthesis: first reported case, 48
**Arthrodesis**
Auger ankle arthrodesis, 56
**Arthroplasty**
Doppler assessment of blood flow to the lower limb associated with total knee arthroplasty, 81
Prolonged use of a surgical retractor causing neuropathy in an assistant, 132
Separation of the Hastings hemiarthroplasty: report of eight cases, 202
**Arthroscopy**
Arthroscopic decompression of meniscal cysts: report of 14 cases, 137
**Audit**
Accuracy and completeness of orthopaedic computer audit, 199
Audit of pressure sores treated in a regional plastic surgery unit (1971–1990), 399
Audit of 'surgery in general' in an African teaching hospital, 402
General surgery with a special interest in vascular surgery: is the tail starting to wag the dog, 312
Practical surgical audit: a morbidity profile, 41
Surgical audit: variations in wound infection rates of individual surgeons, 251

**Bile**
Prevention of postoperative renal dysfunction in patients with obstructive jaundice: a comparison of mannitol-induced diuresis and oral sodium taurocholate, 303
**Biopsy**
Fine needle aspiration biopsy of pulmonary lesions: a 2-year experience in a district general hospital with a literature review, 309
Implantation of hepatocellular carcinoma after percutaneous needle biopsy, 127
**Bleeding**
Endoscopic management of bleeding peptic ulcers in Singapore: a multimodality approach, 388
**Blood Flow**
Doppler assessment of blood flow to the lower limb associated with total knee arthroplasty, 81
**Bowel**
Unusual cause of small bowel obstruction in adolescent girls: the abdominal cocoon, 50
**Breast**
Management of mammillary fistulae, 381
**Breast – Disease**
What's new in surgery, 145
**Breast – Malignant**
Familial breast cancer, 147
Potential use of tumour marker CA 15-3 in the staging and prognosis of patients with breast cancer, 219
**Buerger's disease**
Buerger's disease of the rectum: case report and literature review, 409
**Burn**
Experience with full thickness scalp burns, 190
**Bypass**
Simultaneous bypass grafting of the superior vena cava and intrathoracic biopsy in fulminant superior vena caval syndrome, 406

**Carcinoma**
Carcinoma of the gallbladder: a diagnostic challenge, 174
Carcinoma of the gallbladder: a survey of cases in Wessex 1982–1989, 238
Carcinoma of the oesophagus in patients with Crohn's disease, 125
Early and late complications of subtotal oesophagectomy for squamous carcinoma of the oesophagus, 170
Squamous cell carcinoma of the renal pelvis associated with urinary diversion and humoral hypercalcaemic malignancy syndrome, 192
**Carpal tunnel**
Surgical decompression of the carpal tunnel using infiltrative anaesthesia: description of technique, 341
**Chemotherapy**
Transcatheter hepatic arterial therapy for symptomatic liver malignancy, 384
**Cholangiography**
Plea for selective operative cholangiography, 21
**Cholecystectomy**
Partial cholecystectomy in the emergency treatment of acute cholecystitis in the compromised patient, 295

**Cholecystitis**
Partial cholecystectomy in the emergency treatment of acute cholecystitis in the compromised patient, 295
**Circumcision**
Plastibell circumcision, 411
**Colorectal**
Colorectal anastomotic integrity after anterior resection: is there a role for intraoperative testing, 35
Curative resection: the major determinant of survival in patients with large bowel cancer, 298
**Complication**
Rhys-Davies exsanguinator: a previously unreported complication, 344
Separation of the Hastings hemiarthroplasty: report of eight cases, 202
**Congenital anomaly**
Non-traumatic method of joint release in clubfoot, 204
**Crohn's Disease**
Carcinoma of the oesophagus in patients with Crohn's disease, 125
**Cyst**
Hydatid cysts in children: report of 88 cases, 166
**Cystic Duct**
Cystic duct occlusions by microwave tissue coagulator in rabbits, 395
**Cytology**
Aspiration cytology of the breast with immediate reporting: initial experience with 1000 patients in a district general hospital, 289

**Diaphragm**
Diaphragmatic injuries: why are they overlooked?, 25
Eventration of the diaphragm in children, 222

**Embolism**
Arterial emboli to the arm, 83
Strut embolization to the left main coronary artery from a Bjork-Smiley® mitral valve prosthesis: first reported case, 48
**Embolus**
Factors affecting limb salvage and mortality in patients undergoing femoral embolectomy, 213
**Endoscopy**
A water pump for emergence endoscopy, 282
Endoscopic management of bleeding peptic ulcers in Singapore: a multimodality approach, 388
Endoscopic transanal resection of rectal lesions: facilitation by adaptation of Lord's dilator, 249
**Epilepsy**
Posterior fracture dislocation of the shoulder secondary to epileptic seizures, 139
**Epistaxis**
Prospective study of two management strategies for epistaxis, 259
**Exsanguinator**
Rhys-Davies exsanguinator: a previously unreported complication, 344
**External Fixation**
External fixators and their use, 267
Risk of deep infection with intramedullary nailing following the use of external fixators, 268
**Eye**
Effects of sodium hyaluronate on trabeculectomy filtration blebs, 107
Eye protection for the surgeon, 178
Merkel cell tumour of the eyelid masquerading as a chalazion, 129

**Familial**
Familial breast cancer, 147
**Fellowship**
Original Edinburgh Fellowship Examination, 357
**Femoral Artery**
Factors affecting limb salvage and mortality in patients undergoing femoral embolectomy, 213
Femoral hernia: mortality and morbidity following elective and emergency surgery, 86
**Fistula**
Acute aortocaval fistula in association with ruptured aortic aneurysm, 161
Late appendicocutaneous fistulae, 185
Management of mammillary fistulae, 381
Postlaminectomy arteriovenous fistula formation: a continuing problem, 130
**Foot**
Gangrene of the foot following peripheral phlebography, 180
Non-traumatic method of joint release in clubfoot, 204
Surgery to the great toe, 335
**Forceps**
Controlled-tension suture-tying forceps, 328
**Fracture**
Combined lower cranial nerve injury: complication of upper cervical or basal skull fracture, 188
Management of tibial fractures with the Orthofix dynamic external fixator, 272
Posterior fracture dislocation of the shoulder secondary to epileptic seizures, 139
Treatment of open tibial shaft fractures by delayed closed intramedullary nailing, 417

**Gallbladder – Tumour**
Carcinoma of the gallbladder: a diagnostic challenge, 174
Carcinoma of the gallbladder: a survey of cases in Wessex 1982–1989, 238
**Gangrene**
Amputation for gangrene of the limbs following severe meningococcal infection, 11
Gangrene of the foot following peripheral phlebography, 180
**Gastrointestinal**
Obscure gastrointestinal bleeding: idiopathic aortoduodenal fistula, 331
**Graft**
Simultaneous bypass grafting of the superior vena cava and intrathoracic biopsy in fulminant superior vena caval syndrome, 406

**Haemorrhage**
Obscure gastrointestinal bleeding: idiopathic aortoduodenal fistula, 331
Spontaneous mediastinal haemorrhage, 280
**Hallux Valgus**
'Z' metatarsal osteotomy: modified Mitchell's osteotomy for hallux valgus, 337
**Hand**
Closed rupture of the distal transverse arch of the hand, 342
Ring removal from the injured swollen finger, 59
Trigger thumb in children: results of surgical correction, 197
***Helicobacter pylori***
*Helicobacter pylori* and Meckel's diverticulum, 225
**Hepatobiliary**
What's new in hepatobiliary surgery, 1
**Hernia**
Femoral hernia: mortality and morbidity following elective and emergency surgery, 86
**Historical**
Original Edinburgh Fellowship Examination, 357
**HIV**
Surgery in HIV-positive and AIDS patients: indications and outcome, 254
**Hydatid**
Hydatid cysts in children: report of 88 cases, 166
**Hyperparathyroid**
Primary hyperparathyroidism associated with carcinoid of the thymus, 278
**Hypopharyngeal**
Surgical treatment of hypopharyngeal tumours, 113

**Implant**
Editorial – Removal of unnecessary implants, 53
Removal of Moore's pins, 54
**Infection**
*Helicobacter pylori* and Meckel's diverticulum, 225
Methicillin-resistant *Staphylococcus aureus* in surgical patients: Malaysian experience, 323
Risk of deep infection with intramedullary nailing following the use of external fixators, 268
*Salmonella* infection of the aorta, 181
Surgical audit: variations in wound infection rates of individual surgeons, 251
Wound infection following high saphenous ligation. A trial comparing two skin closure techniques: subcuticular polyglycolic acid and interrupted monofilament nylon mattress sutures, 100
**Injury**
Bath scalds in children in the south-east of Scotland, 319
Diaphragmatic injuries: why are they overlooked?, 25
Epidemiology of sharps accidents in general surgery, 314
Needlestick injury in surgeons: what is the incidence, 317
**Instrumentation**
Controlled-tension suture-tying forceps, 328
Management of tibial fractures with the Orthofix dynamic external fixator, 272
Risk of deep infection with intramedullary nailing following the use of external fixators, 268
**Intensive Care**
Experience with APACHE II severity of disease scoring system in predicting outcome in a surgical intensive therapy unit, 37
**Intramedullary**
Treatment of open tibial shaft fractures by delayed closed intramedullary nailing, 417
**Ischaemia**
Echocardiography in acute limb ischaemia, 155

**Jaundice**
Prevention of postoperative renal dysfunction in patients with obstructive jaundice: a comparison of mannitol-induced diuresis and oral sodium taurocholate, 303

**Kidney**
Prevention of postoperative renal dysfunction in patients with obstructive jaundice: a comparison of mannitol-induced diuresis and oral sodium taurocholate, 303
**Knee**
Arthroscopic decompression of meniscal cysts: report of 14 cases, 137
Doppler assessment of blood flow to the lower limb associated with total knee arthroplasty, 81
Osteoarthritis of the fabella: a fourth knee compartment, 58

**Laparoscope**
Laparoscopic cardiomyotomy for achalasia, 152
**Laser**
Carbon dioxide laser cordectomy in the managment of bilateral vocal cord paralysis, 378
**Leukoplakia**
Anal leukoplakia: management using a staged plastic procedure, 333
**Ligament**
Closed rupture of the distal transverse arch of the hand, 342
**Ligature**
Roeder knot for tight corners in conventional abdominal surgery, 412
**Limb**
Amputation for gangrene of the limbs following severe meningococcal infection, 11
Echocardiography in acute limb ischaemia, 155
**Liver – Tumour**
Implantation of hepatocellular carcinoma after percutaneous needle biopsy, 127
Spontaneous rupture of primary hepatocellular carcinoma in Zaria, Nigeria, 117
Transcatheter hepatic arterial therapy for symptomatic liver malignancy, 384
**Lung**
Fine needle aspiration biopsy of pulmonary lesions: a 2-year experience in a district general hospital with a literature review, 309

**Mammography**
Non-palpable mammographic abnormalities, 362
**Mediastinal**
Spontaneous mediastinal haemorrhage, 280
**Metastasis**
Bilateral parotid gland metastases from a hypernephroma, 128
**Morbidity**
Practical surgical audit: a morbidity profile, 41

**Needles**
Epidemiology of sharps accidents in general surgery, 314
Needlestick injury in surgeons: what is the incidence, 317
**Neuropathy**
Prolonged use of a surgical retractor causing neuropathy in an assistant, 132

**Obstruction**
Unusual cause of small bowel obstruction in adolescent girls: the abdominal cocoon, 50
**Occlusion**
Cystic duct occlusions by microwave tissue coagulator in rabbits, 395
**Oesophagus**
Carcinoma of the oesophagus in patients with Crohn's disease, 125
Oesophageal rupture secondary to duodenal obstruction, 124
**Oesophagus – Surgery**
Early and late complications of subtotal oesophagectomy for squamous carcinoma of the oesophagus, 170
Oesophagogastrostomy in the management of benign oesophageal strictures, 183
**Operative**
Roeder knot for tight corners in conventional abdominal surgery, 412
**Orthopaedic**
Accuracy and completeness of orthopaedic computer audit, 199
**Osteoarthritis**
Osteoarthritis of the fabella: a fourth knee compartment, 58
**Osteotomy**
'Z' tarsal osteotomy: modified Mitchell's osteotomy for hallux valgus, 337

**Paediatric**
Comparison of postpyloromyotomy feeding regimens in infantile hypertrophic pyloric stenosis, 164
Eventration of the diaphragm in children, 222
Hydatid cysts in children: report of 88 cases, 166
Intra-abdominal abscesses in children, 227
Investigation and diagnosis of hypertrophic pyloric stenosis, 94
Paediatric arterial injury: management of appendiceal abscess, 13
**Pain**
C-reactive protein in right iliac fossa pain, 242
Management of acute abdominal pain: decision making in the accident and emergency department, 121
**Pancreas – Surgery**
Long-term changes in body composition after pancreatoduodenectomy, 32
Recent advances in pancreatic disease, 75
Stapling techniques to facilitate resection of the head of the pancreas, 233
**Parotid**
Bilateral parotid gland metastases from a hypernephroma, 128
**Phytobezoar**
Phytobezoar masquerading as the superior mesenteric artery syndrome: successful endoscopic treatment using a colonoscope, 405
**Pilomatrixoma**
